

# Personal Branding for the Digital Era

## Training calendar

Co-funded by  
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

PROJECT NUMBER 2022-2-EL02-KA220-YOU-000100001

## Week 1 — Brand Foundation & Self-Discovery

- **Day 1:** Introduction — What is personal branding, why it matters today. Define module goals.
- **Day 2:** Self-assessment: identify your core values, strengths, passions, unique qualities.
- **Day 3:** Define your unique value proposition (what you offer, your niche) + target audience.
- **Day 4:** Craft your “brand story”: personal narrative, mission, what you stand for.
- **Day 5:** Create a personal brand statement + brand identity brief (tone, style, visuals, core messaging).

## Week 2 — Digital Identity & Online Presence Setup

- **Day 1:** Overview of digital presence: why social media / online profile matters; platforms overview (LinkedIn, Instagram, etc.).
- **Day 2:** Build or optimize professional profiles: e.g. LinkedIn, social media — set up headline, summary/bio, work/skills, professional photo, contact info.
- **Day 3:** Set visual identity for your brand: photos, color scheme/graphics, style guide (visual & tone).
- **Day 4:** Plan content strategy: what to post, how often, which platforms, content pillars aligned with your brand identity.
- **Day 5:** Create a content calendar (e.g. next 4–8 weeks): schedule posts, topics, formats (text, image, video).

## Week 3 — Content Creation & Communication Skills

- **Day 1:** Basics of content creation: writing posts/articles, visuals, storytelling techniques, authenticity.
- **Day 2:** Practice: write first content piece (post, article, profile update) — aligned with your brand story.
- **Day 3:** Digital communication & etiquette: how to engage professionally — comments, messages, networking, tone, boundaries.
- **Day 4:** Build relationships & network: how to connect, engage in groups/communities, interact meaningfully, build visibility.
- **Day 5:** Publish content & networking exercise: share your content; reach out to peers/industry contacts; gather feedback.

## Week 4 — Advanced Branding & Long-Term Strategy

- **Day 1:** Thought-leadership & authority building: what it means, how to do it (e.g. writing longer-form content, sharing insights, contributing to discussions).
- **Day 2:** Public-facing skills: preparing for interviews, media, speaking opportunities, personal presentations.
- **Day 3:** Reputation and crisis management: how to handle negative feedback, maintain authenticity, manage digital footprint responsibly.
- **Day 4:** Brand growth & monetization (if relevant): exploring ways to leverage your personal brand for career, freelancing, consulting, entrepreneurship.
- **Day 5:** Long-term planning: review progress; set next 3–6 month goals; refine content calendar; strategy for evolving brand, continuous learning.
